

Oregon Law-Cosmetology

- 1. Adequate ventilation:** Ventilation by natural or mechanical methods which re- moves or exhausts fumes, vapors, or dust to prevent hazardous conditions from occurring in accordance with OAR 437, Division 2 and/or to allow the free flow of air in a room in proportion to the size of the room and the capacity of the room
- 2. Affidavit of Licensure:** An original document verifying licensing history and sta- tus, including information disclosing all unresolved or outstanding penalties and/or disciplinary actions. The document is issued and signed by the regulatory authority in the state which issued the license with an official seal or stamp affixed to the document; it is not the certificate or license form issued which authorizes the holder to practice. Refer to OAR 331-030-0040
- 3. Agency:** The Oregon Health Licensing Agency. The agency is responsible for the budget, personnel, performance-based outcomes, consumer protection, fee collec- tion, mediation, complaint resolution, discipline, rule making and record keeping.

4. **Approved:** Means accepted by the Agency, Board of Cosmetology or to the appropriate entity

5. **Article:** Those items which complement services provided in the practice of barbering, hair design, esthetics or nail technology, including but not limited to neck-strips, neck dusters, towels or linens, and cloth or plastic capes

6. **Barbering:** The definition set forth in ORS chapter 690.005 means, pursuant to ORS 690.155 and 690.165, the entity that determines practice standards, education and training, and provides consultation to the agency on all disciplinary actions in accordance with ORS 690.167

learnexams

7. **Certificate:** The document authorizing the holder to perform services in a field of practice, i.e. barbering, hair design, esthetics or nail

8. **Chemical service:** The use of any product which restructures or removes hair or changes the shape or appearance of skin, hair or nails

9. **Common area:** An area of a facility which is used by all practitioners performing services, including, but not limited to reception areas, dispensing areas, sinks, shampoo bowls, hair dryers and hair dryer areas, and employee lounge areas
