- 

Tina Jones.
- 

What is your date of birth

Question
03/29/20 2:52 PM ED
- 

February 17th.
- 

What year were you born

Question
03/29/20 2:52 PM ED
- 

I was born in . . . [Ms. Jones reports correct birth year.]
- 

How old are you

Question
03/29/20 2:52 PM ED
- 

I'm 28.
- 

What brings you in today

Question
03/29/20 2:52 PM ED
- 

Well, I have a lot of pain in my lower back. It really hurts, and it doesn't seem to be going away. It's making it kind of hard to get things done, so I decided to come in and have it looked at.
- 

I am sorry that you are having paid today let us see what we can do to help improve the symptoms

Empathizi

- 

I appreciate you saying that.

When did the pain start

Question
03/29/20 2:53 PM ED

It started three days ago, right when I first tweaked my back.

Tell me more about the pain

Question
03/29/20 2:53 PM ED

It's like. . . an ache.

How did the pain started (No matching questions found.)

Question
03/29/20 2:54 PM ED

When did the pain started

Question
03/29/20 2:54 PM ED

It started three days ago, right when I first tweaked my back.

Were you doing something (No matching questions found.)

Question
03/29/20 2:54 PM ED

Describe what it feels like (Clarified to Can you describe your pain?.)

Question
03/29/20 2:54 PM ED

It's like. . . an ache. (Clarified to what the pain is like.)

Does the pain come and go

Question
03/29/20 2:55 PM ED

No, it's been pretty much constant.

Have you had this problem before

Question
03/29/20 2:55 PM ED

No, nothing like this has ever happened to me. . . my back is usually totally fine.

How would you rate this pain in a scale of 1 to 10 (Clarified to Can you rate your current pain level on a scale of 0 to 10?.)

Question
03/29/20 2:55 PM ED

Right now, since the Advil's wearing off, it's around a 5 out of 10. (Clarified to how I would rate my pain on a scale.)

Were you doing something when this happened (Clarified to Did anything happen to cause the pain?.)

Question
03/29/20 2:55 PM ED

Yeah, I think I tweaked it lifting up a box. (Clarified to if anything happened to cause the pain.)

Does the pain limit your movement

Question
03/29/20 2:56 PM ED

It hurts to move, but I can do it.

Are you in pain right now

Question
03/29/20 2:56 PM ED

Yes! My back feels really bad right now.

learnexams

Pain radiate anywhere

Question
03/29/20 2:56 PM ED

No, it isn't spreading.

To what degree does the pain affect your normal activities
